**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic was one of if not the best option I could have come across. Its a third of the cost I was paying to other broadband companies that didnt even give me close to the speed I have with sonic despite how much more I was paying to the other companies. Our other options were AT&T or Comcast/xfinity neither of them have provided the performance I get from Sonic. Not to mention we were tired of being lured in by a price that after a year or two skyrockets thus forcing us to start another contract with them to get a similar rate to what we were paying prior. With Sonic they dont have those bad business practices to try and make their new contract/customer numbers look good.
